

Privacy Policy

In this privacy policy we inform you about the processing of personal data when using this website.

Responsible Person

Responsible for the data processing is

Severin Craftsman Training Center, i.A. Severin Touristik GmbH,
Rathausplatz 2, DE-59846
Sundern, Phone: 02933-9099629, Email: info@severintouristik.com

Personal data

Personal data means any information relating to an identified or identifiable natural person (hereinafter referred to as "data subject"). An identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, on-line identification, or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.

Data when calling up the website

When you visit our website, we do not process any personal data. For technical reasons, however, so-called protocol data is transmitted when visiting websites, which contains certain information and is required to display the website on the Internet-capable device you are using. These are in particular:

- IP address
- Date and time of the request
- Amount of data transmitted in each case
- the website from which the request comes
- Browser type and browser version
- Operating system

The legal basis for the processing of this data is our legitimate interest in the presentation of the website, maintenance and improvement of the stability and functionality of our website in accordance with Art. 30 1 b) vii) Kenya Data Protection Act 2019.

Use of the contact form & e-mail communication

When using the contact form at <https://www.severintrainingcenter.com/contact> as well as e-mail communication, it is necessary to provide the first name, surname and a valid e-mail address so that we know from whom the request originates and can answer it. The data processing for the purpose of

contacting us is carried out in accordance with Art. 30 1 lit b) i) Kenya Data Protection Act 2019. The personal data collected by us for the use of the contact form will be deleted automatically, at the latest after two months after the completion of the request you have made. We would like to point out that data transmission on the Internet (e.g. communication by e-mail) may nevertheless have security gaps. A complete protection of data against access by third parties is not possible.

Cookies

When you visit the website, cookies may be stored on your device. Cookies are small text files that are stored by the browser you use. Cookies cannot run programs or transmit viruses to your device. However, the party that sets the cookie may receive certain information about it. Cookies are used to make the Internet offer more user-friendly. Cookies can be used, for example, to recognize the device with which this website was called up when it is called up again.

The browser settings can be used to restrict or prevent the setting of cookies. For example, only the acceptance of cookies from third parties can be blocked, or all cookies can be blocked. However, by blocking cookies, it is possible that not all functions of this website can be used.

beatSessionId	HTML	Persistent
Registers which server cluster serves the visitor. This is used in the context of load balancing to optimize the user experience		
beatSessionTs	HTML	Persistent
Registers which server cluster serves the visitor. This is used in the context of load balancing to optimize the user experience		
Hs	HTML	Session
Ensures visitor browsing security by preventing cross-site request forgery. This cookie is essential for the security of the site and the visitor.		
Performance	Pixel	Session
Registers the speed and performance of the website. This function can be used in conjunction with statistics and load balancing.		

ssr-caching	HTML	1 day
-------------	------	-------

This cookie is required for the cache function. A cache is used by the website to optimize the response time between the visitor and the website. The cache is normally stored in the visitor's browser.

Duration of storage & deletion of personal data

The personal data described under point 2 will be deleted by us as a matter of principle if the purpose for which we collected the data

ceases to apply or if the storage of the personal data proves to be inadmissible under the applicable law. Instead of deleting data, the restriction of processing personal data shall apply, provided that

- legal, statutory or contractual retention periods prevent deletion (cf. item 1 above) or
- there is reason to believe that deletion would adversely affect the interests of the data subject worthy of protection, or
- deletion is not possible or only possible at disproportionately high expense due to the special type of storage, or
- the site user or customer disputes the correctness of the personal data stored about him and neither the correctness nor the incorrectness can be determined.

Your rights

You have the right

- to be informed of the use to which your personal data is to be put (Art. 26 a Kenya Data Protection Act 2019)
- to access your personal data in custody of data controller or data processor (Art. 26b Kenya Data Protection Act 2019);
- to object to the processing of all or part of your personal data (Art. 26 c Kenya Data Protection Act 2019);
- to correction of false or misleading data (Art. 26d Kenya Data Protection Act 2019); and
- to deletion of false or misleading data about you (Art. 26 e Kenya Data Protection Act 2019)

Subject to change regarding the privacy policy

In order to comply with the applicable legal provisions in your interest and ours, we expressly reserve the right to make changes or updates to this data protection declaration. For this reason, we recommend that you review the data protection declaration provided on our website at regular intervals and read it carefully. If you have any questions or comments on data protection, we will be happy to help you at datenschutz@vossenkuhl-gruppe.de.
